IEBA Vision, Mission and Values

Vision

The Irish Electrical Benevolent Association (IEBA) is a Charity which helps people in the electrical industry who are in need of assistance.

Mission

The IEBA is committed to provide short-term financial assistance to families and individuals from the Electrical Industry, present and past, who for various reasons are in need or are suffering financial distress.

Values & Objectives

- Key goal is to maintain the long-term viability and sustainability of the IEBA in pursuit of our mission.
- All Members, Volunteers and Trustees will act on a voluntary basis and receive no financial reward for their services.
- All Members, Volunteers and Trustees will subscribe to the Constitution of the IEBA and its Policies and Code of conduct.
- All Members, Volunteers and Trustees will act with honesty and integrity,
- Confidentiality is at the core of the IEBA.
